Pemaquid

Maine, Cliff Light

The whole coast of Maine is a series of deep cut peninsulas and Pemaquid is one of them above Boothbay and below Camden. Surely, this cliff is one of the most spectacular of all scenic places along that marvelous coastline. This high cliff is like a stairway for the giants. The strata of molten rock that poured into the sea and congealed was of various densities and that same sea ever since has been crashing upon the

cliff this same gigantic force is at work as the tide rises and falls, as the loosened stones grind and smash the mother seams. When the surf is active, you can sit on the stones all day and never see the same color repeated as the foam and oxygen in the water change the color and patterns on the surface and near the surface. This ultimate battle of the unmovable stone and liquid sea proceeds day and night, summer and winter, spring and fall, and the sea wins by inches through the eons.

Overseeing all, the light at the top warns the passing vessels that a force greater than puny man does battle here and it is best to avoid the fray. Notice the Pema-

Special Town Meeting Aug.23

MATTAPOISETT SELECTMEN'S MEETING
JULY 19,1988-by VIRGINIA MORGAN

Six of the eight articles on the warrant of the August 23rd Special Town Meeting will be repeats from the Annual Town Meeting, which were passed, and from the June Special Election which found the same six articles defeated for overrides.

The 7th article pertains to the Manuel R. Nunes, Jr. property on Brandt Island Road when the Town has the authority to purchase the property, if so voted. Funds would come from a bond issue and would be approximately $7.5 million.

The 8th article pertains to a request from the Library Board of Trustees for $10,245 to join the cooperative sharing of books with New Bedford and other towns under the name of SEAL (Southeastern Automated Libraries), a computer terminal system.

Whatever articles are passed at the Special Town Meeting will again have to be voted at the Special Election on September 27th.

Trying again for funds are:

$7,000 - Council on Aging, part-time director.

$20,000 - Town Planner.

$68,360 - Replacement of water pipes on Eldorado Drive, 1080 feet.

$15,225 - Replacement of water pipes on Granada Court, 240 feet.

$40,000 - Corrosion Control Facility/Water Department.

$41,176 - In anticipation of reimbursement of Chapter 90 funds for highway construction, namely North Street this year.

A second Special Town Meeting is scheduled in September to consider a $10 million bond debt exclusion for an addition and renovation to Old Rochester Regional High School. This article will also have to go to a special election for voter ap-

The 9.8 million estimate is based on $7,321,000. for renovations; the balance covers predicted costs for a new Administration Building as well as the estimates for asbestos removal and moving costs. Among the renovation requests are paving, concrete foundation, wall partitions, handrails, doors and windows for more efficiency, exterior doors, skylights in the cafeteria, ceiling and floor tiles, lockers, kitchen equipment, stage curtains, auditorium seating, greenhouse, mechanical and electrical work, plus architectural fees and contingency.

In discussing the additions and restoration of the high school, Selectmen Chairman William F. Hubbard said, "As the Board's representative to the ORR Advisory Committee, I am only one on the committee. The bids have been well done and the committee has done a good job; and, admittedly there are a lot of things we

need, but there are things we cannot afford."

The Chairman continued, "There is an absolute need for the storage addition. There are doors broken and the windows are not energy efficient. One request I don't think we need is skylights in the cafeteria roof. I believe there are other less expensive ways than spending $63,000 for skylights to brighten the cafeteria." He added further, track and tennis courts were taken out. "They might be a priority with the administration but not with us. Our priority is to do the renovation work first. Essentially, the building is a good building but needs to be better maintained."

In other business, Selectmen:

ADOPTED REGULATIONS at Ned's Point Veterans' Park, effective July 23. The rules were reviewed by Town Counsel Donald J. Fleming and found to be proper according to Massachusetts General Laws. These regulations will provide for the orderly and appropriate use of the park, and will be in effect on Saturdays, Sundays and holidays.

There will be a fee of $10. per day, for the privilege of the use of the Park to launch or recover the sailboat, sailboard or other craft; and the person will be issued a permit for the day. No person may launch or recover a sailboat or other floating craft from, on, or in the Park without the fee. The number of sailboats or crafts using the park as a launching or landing site shall not exceed fifty (50) on any one day at any one time. The number shall be determined by the number of paid permits issued on any particular day.

Any person holding a permit who has finished for the day should return the permit so that additional permits may be issued. Parking will be allowed only in those areas that are designated by an attendant.

Any person violating these rules and regulations shall have his/her permit revoked and may be denied a permit on future dates, and/or may be ejected from the park and barred from using the park for a period not to exceed three days. There is a right to appeal a fine.

Drive and Michael DeSouza of Granada Court who presented the Board with petitions containing 150 names on each petition (only 100 are needed) to place two articles on the next special town meeting to replace the water pipes on the two streets. Mr. Mitchell noted, "We are considering other options, but for now we will wait for the results of the town meeting and election override."

VOTED TO REQUIRE privilege stickers for parking at the town beach lot. Those with no stickers may park on the street. There will be only a $1. charge per person to go on the beach. Previously, anyone could park in the beach lot and pay a $2. parking fee. However, Selectmen have determined the parking is getting too crowded for town residents to use the lot.

PROCLAIMED SEPTEMBER 21, 1988 as "Hurricane Preparedness Day in recognition of the September 21, 1938 hurricane, the most destructive tropical hurricane in terms of overall devastation ever recorded in American history. This hurricane struck six northeastern states, including Massachusetts, with high winds, tidal surges and river flooding, and resulted in the deaths of at least 680 persons, including 69 in this immediate area of southeastern Massachusetts. Total hurricane property destruction amounted to $3 billion, including $5. million in this immediate area.

"This catastrophe, for many so marked by suffering, distress and loss as to remain unforgettable despite the years and so grave as to prompt acts of selflessness and heroism by hundreds in both public and private sectors, was extraordinary in our town's long history.

"In behalf of our community's government and people, we deem it appropriate to proclaim this, the fiftieth anniversary of that storm, Hurricane Preparedness Day, and encourage solemn remembrance of the disaster and continuing public awareness of the need to remain alert and ready

Selectmen Chairman William Hubbard noted Mattapoisett will cooperate with the Town of Fairhaven along with M.L. Baron, Project Coordinator for Hurricane Preparedness Day in observing special events on that day. Among the events will be a display at the Hastings Middle School, a memorial service and the showing of a film on hurricanes - all in Fairhaven.

Marion Selectmen's Meeting

JULY 19,1988-by EUNICE MANDUCA
A Community Service by the League of Women Voters

Thomas Fantozzi of the Coastal Zone Management (C.Z.M.) and Nancy Menzel of the Marion Conservation Commission appeared to discuss further revisions of the proposed changes in the Board of Health regulations. In order to promulgate new regulations it is necessary to hold a public hearing after publishing the proposed changes and advertising the date for the hearing. The public hearing is scheduled for August 30th.

Mr. Russell DeBarros, leading proponent for the improvement of Hill, Oak and Green Streets, appeared to learn of the schedule for improving roadways in the area. He was assured that the project is moving along and, as soon at Thompson Engineering has flagged the roadways, the town will notify the Telephone Company which will relocate poles and then the first 200 feet of Hill Streets will be paved. Additional water main and drainage work must be completed before the remainder of the area can be paved. Mr. Bivilaqua has released $4000. as per his agreement.

the appointment of Susan Jacobson as full-time Clerk/Dispatcher, and Michael Corte Real as Special Police Officer. It was voted.

Chief Scott requested Selectmen's consideration of a change in the pay scale for special police. He stated that there is too large a difference in the regular and special officers and, if he is to keep his officers after they are trained, he must offer a more attractive salary. It was voted to raise the special officers' salary to $7.00 per hour. The Chief also reminded Selectmen that the Pro-Am Bike Race will be going through Marion on July 28 between 3:25 and 3:45 p.m. Coming from Mattapoisett on Route 6 the racers will turn right on Main Street, left on Front Street and continue on Front Street to County Road where they will turn right and continue on through Wareham. Main Street and Front Street will be closed during this time. Race officials will take care of much of the traffic control requirements and will be supplemented by the Marion Police Department. Selectmen suggested that the Chief do a critique following the race as a reference for further events of this kind and to include town costs for the additional police involvement.

Ray Pickles, Executive Secretary, announced that D.E.Q.E. has accepted the final plan for capping the landfill. S.E.M.A.S.S. will be accepting commercial rubbish in August. The negotiations to establish SEMASS started in 1974 and fourteen years later the plant is in operation. Testing continues on Maple Avenue to discover the origin of petroleum products found in the drainage ditches. The contract for the removal of asbestos in town buildings has been completed. The Fire Engineers have notified the town that they will not require larger doors on the Fire Station. This year Marion will have 6 green head fly

traps supplied by the state because other towns have refused the service to control these biting pests at their beaches. Many of these towns have had to close beaches because of the green head fly problem.

In other business, Bill Claflin of the Marion Social Club appeared to request a letter from the Selectmen which would permit the Social Club to purchase State surplus materials for furnishing the new building on Pumping Station Road. It was voted unanimously. Mr. Claflin also reported that the Chicken Bake conducted by the Social Club for the Marion Senior Citizens was very successful. Reporting for the communication department, Mr. Claflin stated that the radio tower is on schedule.

Responding to complaints of unsightly conditions at 590A Delano Road, Selectmen instructed the Executive Secretary to give reasonable notice to the offending party and to follow with appropriate legal action.

A chain of command has been established in the Town Offices. When Executive Secretary Ray Pickles is not present, Treasurer/Collector/Clerk Helen Westergard will be in charge and when Mrs. Westergard is not present, Accountant Karen Lopes will be in charge. The Selectmen are also concerned with an improved system of record keeping for the building department and building permits. They questioned if there will be interviews for additional town office staffing. They voted an all-alcoholic beverage license for 125 Allan's Point Road for August 6th.

LETTERS RECEIVED: From the Mass. Division of Marine Fisheries re: testing in Aucoot Cove area. Ray Pickles stated that D.E.Q.E. had pin pointed the high readings of a month ago. They coincided with a higher than average moon tide which went up thirty or more feet into the marsh and washed down droppings from the large goose population nesting in the marsh. The effluent from the pumping station continues to be BDL (below detectible limits).

SOFTWEAR STARTER KIT PRESENTED TO ROCHESTER MEMORIAL SCHOOL

Joyce A. Anderson (R), President of the Rochester Woman's Club, in behalf of its members, presented a LEGO Logo Software starter kit to Lucille Morris (l), Instructor in the Computer Room at Rochester Memorial Elementary School.

The LEGO Educational System was developed to offer children of all ages and abilities a stimulating system of understanding concepts related to science, math, and technology. With these materials all students can become scientists, mathematicians, and inventors.

The LEGO Educational System takes learning a step farther than the two dimensional "pencil and paper" approach. Students are given the opportunity to build, test and modify working models of scientific and technological principles. Learning by doing transforms theoretical knowledge to applied knowledge and allows the child to claim "ownership" of that knowledge.

SLIDE LECTURE THIS THURSDAY

Anne T. Converse, photographer, will give a slide lecture at the Marion Art Center on Thursday, July 28th, at 7:30 p.m. This show will focus on recent pictures she took on an extended trip half way around the world. Beginning in Los Angeles, Anne traveled to Australia, Nepal, India, the Seychelles Islands, Kenya, South Africa, Egypt and Europe.

The idea came from a notice of a

"I was able to experience the winning back of the Americas before departing for a totally foreign atmosphere," she relates. "I was most affected by Nepal as the culture was so fascinating and different." This slide show will be a more extensive collection of photographs along with a discussion of the trip. The length will be about one half hour with time for conversation following. A donation of $1.00 will be collected at the door. The Marion Art Center is located on the corner of Main and Pleasant Streets in Marion.

Veterans Up-Date

VA SPENT $13 BILLION IN COMPENSATION AND PENSION BENEFITS LAST YEAR (October '86 to September 30, '87)

The director of the VA Regional Office in Boston announced that VA spent more than $836 million in the Commonwealth of Massachusetts. Of that amount an estimated $437 million was spent on compensation and pension benefits, $15 million on readjustment and vocational rehabilitation benefits, and $53 million on insurance and indemnities. On top of that $20 million was spent in construction and $309 million in medical services and administrative costs.

"Most people don't realize how much of the VA budget is returned directly to the state", said the VA director. "Almost all of this money goes directly back into the economy where it helps to develop secondary jobs -- it's like a ripple effect. The VA is committed to provide timely, high quality health care, benefits and services to veterans and their families."

Growth Management Meeting

The next meeting of the Mattapoisett Growth Management Committee will be held on Thursday, July 28th, at 7:30 p.m. at Village Court.

August Exhibit at Museum

The August exhibit planned for the Mattapoisett Museum features Henry Kettell's collection of pictures of Mattapoisett-built whaling ships during the years 1822-1877. This display reminds us of Mattapoisett's great heritage. From pre-Revolution days to the late 1800s the Mattapoisett harbor was lined with shipyards which built hundreds of ships.

This exhibit starts August 2nd. The Museum is open Tuesday through Saturday from 1:00 to 4:30 p.m. Adults, $2.00; children, $.50; members and their guests are free.

Euthanasia is defined in Webster's Collegiate dictionary as: ...."an act or practice of painlessly putting to death persons suffering from incurable and distressing diseases". During the past few years we have all heard, through the media, many stories on this subject. Controversies abound and in many cases, individuals who are terminally suffering have been denied the right to die. For this Coterie session, we will have a lawyer, minister, and perhaps a government official (judge?) who will voice their views and experiences.

(and we like it!)

When we installed our new enlarger, we knew that, in time, people would be pleased to learn that they could order and receive, ON THE SAME DAY, an enlargement of a favorite picture (negative or slide). What even WE did NOT know is how great the work would look and how quickly you would respond to this new service. The prices haven't changed but the quality of work AND the speed is now the BEST it can be. We are grateful to those of you who tell us this, every day, and we extend an invitation to the rest of you to find out for yourselves why THE SHUTTERBUG is REALLY your one-stop camera store.

Mattapoisett Road Race

The 18th running of the Mattapoisett Road Race was remarkable from a number of points of view.

Our little race which used to start at Point Connett with the explosion of firecrackers has become a major road race event, commanding the support and participation of our town and merchants.

Older than the Falmouth Road Race, the Mattapoisett five mile road race is uniquely committed to support an endorsement of young area runners through its distribution of realized money from the race to the scholarship program of seven area schools. Graduates of the Mattapoisett Road Race and recipients of the scholarship money are now major contributors in the college programs throughout the country.

Jeremy King, winner 1983 and 1984, went on to finish second in the New England Class Championship while running for UNH.

Mark Coogan, 1985 winner and second place finisher last year, bypassed this year's race due to preparation for the Olympic Trials. Mark will be shooting for a spot on the 3000 meter steeplechase team. In his absence, younger brother Tom (16) finished sixth overall. We will undoubtedly be seeing more of both of them in the future.

Consequently, the many sponsors and support personnel who assist us with this remarkable event may feel justifiably proud of their continued involvement in the fine race.

As the Road Race Committee earlier indicated a broader organizational base is desirable to ensure that the Mattapoisett Road Race is guaranteed to occur each year. Interested area citizens should contact Robert Gardner, Robert

What a disgraceful mess at dump (landfill).

First of all the clouds of very fine dust - I am told that the landfill uses clay dug from near there - when the clay dries out it results in fine material floating in the air like a talcum powder.

Some calcium chloride had been promised - however I am told that it would be more corrosive to automobiles than the salt on winter highways; also expensive and would need new applications after about every rainstorm.

Now that we have an energetic road surveyor, why couldn't the town afford to get him to stockpile regular fill, and only use the powdery fill to fill deep holes and cover the trash - so car and truck wheels don't reach it to churn up the dust.

The other day the landfill operator and a helper were spearing

various sizes of paper that looked, offhand, over a couple of hundred feet or more long area and maybe 20 or 25 feet depth back.

From the road it looked like an almost hopeless job of spearing up that endless paper mess. The operator said he had been promised a snow fence along the road to try and control the wind-swept paper.

He said he was trying to clean up as the state quality deal was supposed to inspect.

Why in the devil can't someone take "the bull by the horns", get him some snow fencing and work a plan of mixing ordinary fill where cars drive with occasionally some small drive stone to eliminate a good deal of dust and do away to a certain extent the plopping sticky mud when it pours or in the early spring when the ground thaws - try to conquer the ocean of mud.

The whole thing reminds of the story of a customer in a department store informing a clerk at a counter that someone was shoplifting down the aisle - the clerk

Roller Skating Champions

ON TO NATIONALS

Maurine Anne Jennings, daughter of Michael and Elaine Jennings of Mattapoisett, and Ryan Tavares, son of David and Francine Tavares of New Bedford, defended their title as Northeast Regional Elementary Dance Champions and again won the gold medal at the Northeast Regional Roller Skating Championships held in Saugus, MA. on July 3rd. This qualifies them to skate at the National Roller Skating Championships to be held in Lincoln, Nebraska in August. Last year they placed 7th at the National Championships. Once again they will be competing against 27 teams from across the country.

Maurine and Ryan are both 12 years old and have been skating together as a team for 2 years. They take lessons from professional Charlene Surette-Conway at the Star Wheels Skating Rink in Seekonk, MA.

Closed the month of August

20th. Sponsored Friends of the Dartmouth Libraries, this is the fifth in a series of the popular mid-summer event. Any southeastern New England artist, amateur or professional, is welcome to mount a display of oils, watercolors, pastels, acrylics, pencil sketches, etc. - any easel work - with no restrictions as to number or subject matter. Additionally, graphic and photographic art, properly mounted, will be accepted.

This non-juried one-day show will run from 10 a.m. to 4 p.m. and has designated a rain date of the next day, August 21st. There is no registration fee for exhibitors nor entrance fee for viewing by the public.

Artists may offer their work for sale, with a very modest percentage of the list price reserved for operating expenses of the non-profit sponsors. Details of the arrangement and particulars regarding this year's exhibition may be obtained by phoning Doris Rowbotham at 992-6825.

Light refreshments will be served gratis throughout the day by Volunteer Friends.

From Council on Aging

KEEP COOL - AND EASY DOES IT!

The Mattapoisett Council on Aging would like you to be aware that hot weather can seriously strain your body, especially your heart. There is even a greater risk of adverse heat reactions if an elder is taking prescription or over-the-counter drugs. If you experience a sudden rise in body temperature, muscle contraction, or rapid breathing, consult your physician immediately.

Ways to avoid heat exhaustion:

Find a cool spot (at home, air conditioned shopping mall, senior center, library or movie).

Draw cool air into your home with a fan. Air movement reduces heat stress by helping to remove excess body heat. Take a cool bath or shower.

Drink plenty of fluids but avoid alcoholic drinks. Wear light clothes, made of natural fibers (cotton, linen) which breathe more easily. Also light colors reflect heat away from the body (dark colors

Pinocchio at Zeiterion

SUMMER YOUTH THEATRE FESTIVAL

The Zeiterion Theatre's Summer Youth Theatre Festival continues with "THE ADVENTURES OF PINOCCHIO", presented by The Gingerbread Players and Jack on Wednesday, August 3rd, at 10:30 a.m. This company's presentation will follow the classic story with a marvelous combination of humor, heartwarming drama and spritely songs and dances. General admission tickets are priced at $4.00 each. For more information on tickets and group packages call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations.

"The Adventures of Pinocchio" is based on the original classic by Carlo Collodi emphasizing Pinocchio's struggles to become a real boy by making the right decisions. The theme is meant to encourage young audiences to distinguish between right and wrong. The show will include all the original characters - Gepetto, the Fox, the Cat, the Blue Fairy, the Fireeater, the Coachman and Candlewyck. Presented in a Comedia Dell'Arte style with the

costumes of 18th century Italy, the production creates a lush, picture-book quality that transports children immediately into the marvelous land of make-believe.

The Gingerbread Players and Jack have appeared at the Zeiterion numerous times, most recently in their successful production of "The Adventures of Peter Rabbit" this past spring.

The series will conclude on Wednesday, August 10th, with the Puppeteer Marshall Izen presenting "Aesop and Other Fables".

The Zeiterion Theatre is located at 684 Purchase Street in historic downtown New Bedford.

Better Home Heat Council

Arts degree from that institution. A master of photography, she is also a fine artist and her draftsmanship, skillful technique and sensitivity to her subject matter attest to that.

A nine-time recipient of grants from the Massachusetts Arts Lottery Council, Mrs. Haletky is involved with an on-going project of creating watercolors of historic landmarks to be hung permanently in the new Whitman Public Library.

Mrs. Haletky has been well represented in various area festivals and galleries in the Boston area as well as the South Shore and Cape areas.

In her show for Heritage Plantation Mrs. Haletky has chosen eating places and gas stations as her theme. With these homely, everyday subjects she has created works often nostalgic and always beautifully conceived.

Membership, as well as admission tickets to the Museum for the day, will be honored for this show and will include admission to all the Museum buildings, exhibitions and grounds. Tickets are $6. for adults, $5. for senior citizens, children under 12 are $2.50, five years and under are free.

"What Buzzards Bay Means to Me

The following essay by Zach Lynch c Grade 6 at the Sippican School won second prize in that division in the essay contest held in conjunction wit Buzzards Bay Day held in June.

WHAT BUZZARDS BAY MEANS TO ME

Buzzards Bay means fishing boating and shellfishing to me. It also mean swimming, running along the beaches and windsurfing. If Buzzards Bay get too developed or polluted, no one will come and visit Buzzards Bay in the summer, or at all.

My uncle comes from North Carolina just to shellfish -- he spends so much time in the muck we call him "The Quahog King". He also likes to windsurf and swim. My aunt loves to

sail in Buzzards Bay waters and tan on the beach. If the Bay is over-developed, we could not do these things together.

I have been on many marsh walks - one with Mr. Hutchings and several with another aunt. The place I used to walk on in the marsh outside Silvershell Beach now has houses on it. If the area gets too polluted or developed we will lose a nice bay.

SUMMER PROGRAM IN COASTAL STUDIES

This summer try something different, unique and fun. The Lloyd Center for Environmental Studies each summer offers a Summer Program in Coastal Studies to local students. The eighth grade program whose theme is Forces that Shape the Coast has a few spots still available. The Program begins August 1st and finishes August 26th. Students meet each day at the Lloyd Center at 8:30, at which point they will be exposed to many different aspects of the coastal environment. The students learn research methods, canoeing skills and what lives in the many diverse habitats along the coast. They will also learn about geology, waves, currents, tidal fluctuations and sand deposition. There will be opportunities to snorkel, hike and even an overnight camping trip. The fee for this four-week-long program is $300. for Lloyd Center members and $350. for non-members. For more information on the eighth grade program please contact the Lloyd Center at 990-0505.

boat will leave Falmouth Harbor at 1 p.m. and return at 5 p.m. The tour will visit and provide views of landmarks of Vineyard Sound such as Nobska Light, Tarpaulin Cove Lighthouse, Gay Head Light, and Menemsha Harbor.

Elwood O. Mills, Jr., Sanctuary Director, will provide commentary and explain the geological processes which formed the clay cliffs, and what the different colors represent. Participants will also learn about how erosion has affected the cliffs and why there has been a loss of color in recent years.

The fee for the trip is $25., $20. for Mass. Audubon members, and preregistration is required. For more information call 563-6390, or write to Mass. Audubon, 286 Ashumet Road, East Falmouth, MA. 02536.
